

NEW AMAZING APPRENTICESHIPS COMING SOON!

ANIMAL TRAINER

Are you barking mad about animals? You could end up working in a safari park or training animals for services such as search and rescue.

BLACKSMITH

Handcraft products and learn how to create bespoke metalwork – a very unique apprenticeship opportunity.

CABIN CREW

Deliver a high-quality service and gain experience with world-wide companies whilst touching down in some beautiful locations. The world is your oyster!

COMMERCIAL AIRLINE PILOT

Jet off into an exciting career where you will gain valuable experience and qualifications, whilst travelling the world (at around 500 miles per hour)

FARRIER

Turn your equine passion into a career whilst learning to maintain hooves for much loved pets as well as elite competition horses.

REGISTRAR

Organised and efficient? Registrars work behind the scenes in museums and art galleries looking after artefacts and ensuring the success of the exhibition.

RETAIL BUYING AND MERCHANDISING ASSISTANT

Are you a shopaholic? Put your skills to good use with opportunities to travel internationally to source the high-quality items that we all love to buy.

ADVANCED BEAUTY PROFESSIONAL

Both creative and fun, this apprenticeship allows you to develop your beauty skills whilst also providing a feel-good service for the customer.
