Apprenticeships: A subject snapshot guide for teachers

What is an apprenticeship?

Apprentices are employed in a job and paid a salary, whilst undertaking training to support the development of their skills. Apprentices will spend at least 20% of their paid time completing 'off-the-job' training where they will be supported by a training provider to achieve their apprenticeship. Apprenticeships are available to anyone over the age of 16, living in England and have no upper age limit. To find more please visit the government website:

Languages link to lots of apprenticeships because many job roles require individuals to be able to communicate with individuals who speak a different language, both within their own company and with external customers. Some of the more obvious job roles might be Language Teacher or a Journalist. But have you also thought about how it might link to other jobs like Cabin Crew, Marketing Executive and International Freight Forwarding Specialist?
