Apprenticeships: A subject snapshot guide for teachers

## What is an apprenticeship?

Apprentices are employed in a job and paid a salary, whilst undertaking training to support the development of their skills. Apprentices will spend at least 20% of their paid time completing 'off-the-job' training where they will be supported by a training provider to achieve their apprenticeship. Apprenticeships are available to anyone over the age of 16, living in England and have no upper age limit. To find more please visit the government website:

## Which apprenticeships are there?

Physical Education (PE) links to lots of apprenticeships because so many job roles require an individual to have excellent team work skills and communication. Some of the more obvious job roles might be working as a PE Teacher or within a Leisure Centre, but have you also thought about how it might link to other jobs like Operational Firefighter, Policing, Senior Equine Groom, Youth Worker and HM Forces?

## Which apprenticeship employers are there?

There are lots of employers offering apprenticeships that link to Physical Education. Some of the biggest names you might recognise are:
