

## SAMAH @ COCA-COLA APPRENTICE STORY

### Complete Samah's apprenticeship story

Samah started her level \_\_\_\_\_ apprenticeship in 2019 and achieved an amazing \_\_\_\_\_ grade when she finished it in June 2021. She works for Coca-Cola Europacific Partners in the \_\_\_\_\_ department and investigates customer complaints.

When Samah was on her way to college one day, she saw a large Coca-Cola \_\_\_\_\_ advertising their apprenticeship scheme. She was studying \_\_\_\_\_ at college and knew that she wanted to work in an office environment. Her application for the apprenticeship was completed by doing the following steps –

1. Playing \_\_\_\_\_ (skills testing)
2. A \_\_\_\_\_ interview (getting to know you)
3. An Assessment Centre day (an \_\_\_\_\_, a presentation and a \_\_\_\_\_)
4. A second \_\_\_\_\_ (all about the CV)

Remember that every organisation is different so their recruitment process may not be the same!

Samah was inspired to work for Coca-Cola Europacific Partners because of the range of opportunities and her future possibilities to become a \_\_\_\_\_ or work in a leadership position.

Samah has some amazing advice for both you and your parents or carers. Do your \_\_\_\_\_. Check out all of your options as there are so many available and in different career paths. \_\_\_\_\_ is not the only option! She recommends that your parents or carers understand that doing an apprenticeship is the best of both worlds as you will be \_\_\_\_\_ money, getting a \_\_\_\_\_, and \_\_\_\_\_. Don't be worried! The opportunities are \_\_\_\_\_.
