FOOD TECH: STUDENT WORKSHEET

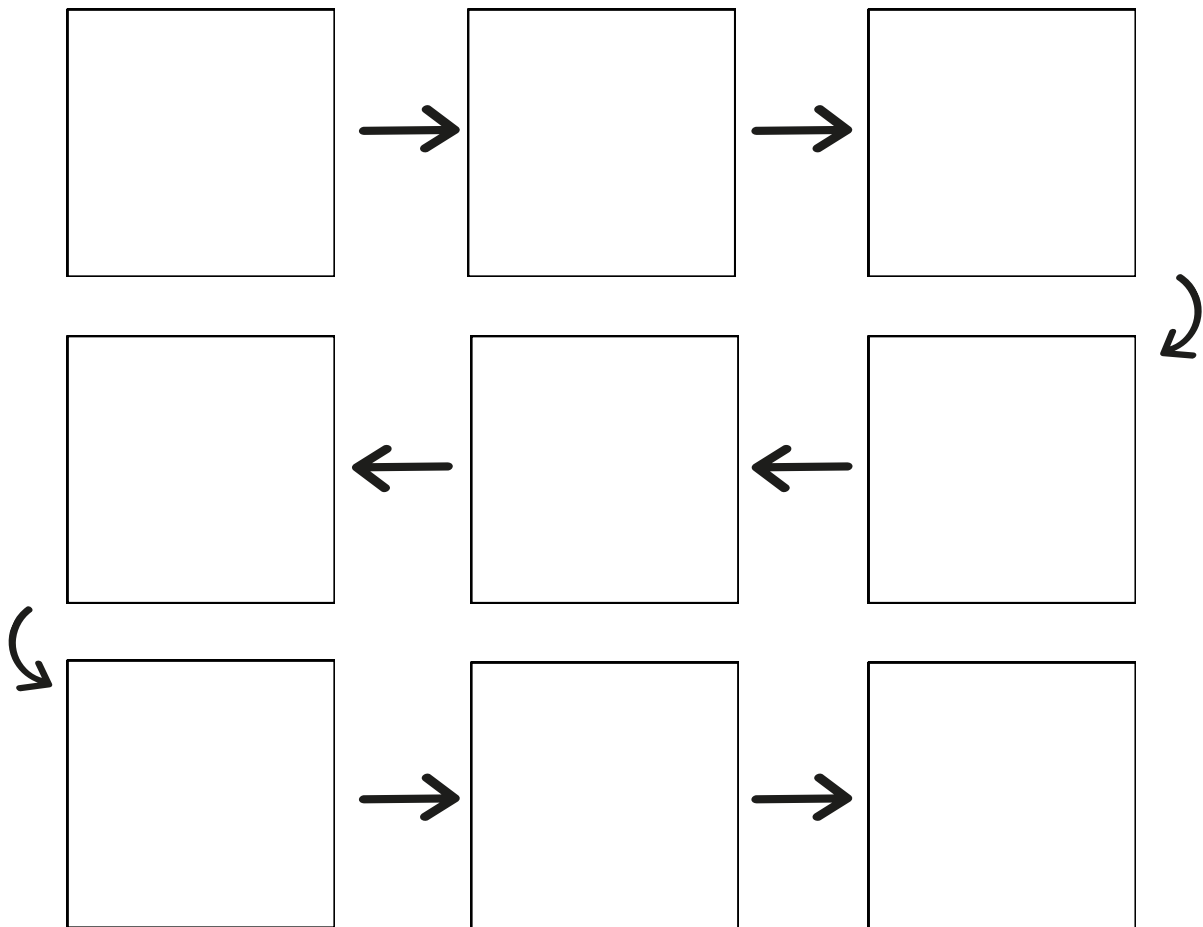

STUDENT WORKSHEET

Task

- A company has created a new drink/food, but all new products go through a rigorous process before they can be launched.
- There are lots of apprenticeships in and associated with the food industry. Can you put these apprenticeship job roles in the order that you think they would follow for a new product being developed?

Activity

- Food and drink engineer
- Packaging professional
- Senior culinary chef
- Food and drink process operator
- Food industry technical professional
- Junior advertising creative
- Food technologist
- Hygiene specialist
- Digital marketer
