

**George Herritts**

**CABIN CREW**

**easyJet**

### **WHAT APPRENTICESHIP ARE YOU DOING?**

Cabin Crew, Level 3

### **WHAT'S YOUR JOB?**

My job role is primarily about focusing on safety of passengers and fellow crew on board the aircraft. A typical day starts early for a check-in time an hour before departure time. We then welcome our passengers and complete a safety demo. During the flight we provide onboard bistro and boutique service for our customers.

### **WHAT IS THE MOST EXCITING PROJECT YOU HAVE WORKED ON?**

The most exciting and interesting thing I've taken part in at easyJet was being one of the very first Cabin Crew in the industry to complete an apprenticeship. I am one of the few in the industry with a Distinction in this qualification.

### **WHAT IS YOUR PROUDEST MOMENT WITH YOUR COMPANY?**

My proudest moment since starting my apprenticeships has been achieving Cabin Crew Apprenticeship Ambassador of the year 2019. I achieved this for taking on an additional responsibility as an ambassador for the apprenticeship programme, taking part in assessment days for new candidates and visiting colleges around West Sussex. I have also run a stall for easyJet at a careers evening as well as taking part in a live Q&A with over 300 parents and students.

### **WHICH MALE HAS INSPIRED YOU AND WHY?**

**NIKI LAUDA** His family were trying to usher him down a different career path, but his refusal is like me not going to uni.

**6 "TAKE EVERY OPPORTUNITY YOU CAN GET. DON'T BE AFRAID TO TAKE A DIFFERENT VIEW FROM YOUR FRIENDS OR FAMILY"**
