ASSET MANAGEMENT
DEGREE APPRENTICE

WHICH APPRENTICESHIP ARE YOU DOING?

Asset Management Degree Apprenticeship.

WHAT LEVEL IS YOUR APPRENTICESHIP?

Level 6.

WHAT DO YOU DO?

Some of my typical tasks include compiling documents for clients, drawing information through data sets on Excel, raising tech related issues on our database for respective teams or individuals and developing my business knowledge by taking minutes so I can learn to lead meetings.

“YOU MISS 100% OF THE SHOTS YOU DON’T TAKE - SO DON’T BE AFRAID TO TAKE A LEAP OF FAITH.”

WHAT IS THE MOST EXCITING PROJECT YOU HAVE WORKED ON?

Working on optimising one of our current structures within our client services. This project allowed me to understand the different streams and services within Asset Management. I got to talk to a number of people within the business to fully understand what they do and how their role fits into the overall Asset Management space. Plus, this was a chance for me to take charge and have full ownership of a piece of work which was incredible! It's nice to see your work having an impact and it was exciting to see that the team trusted me to tweak the system and give me creative freedom.

WHAT IS YOUR PROUDEST APPRENTICESHIP MOMENT?

It has to be presenting my big optimisation project. It was a surreal moment having the opportunity to lead a meeting and show people what I'm capable of. I held my nerve and showcased my ideas, and I was incredibly proud of the response from my colleagues. Another thing I'm very proud of was my ability to be open and gain their constructive criticism which helped me go back and build the idea into something even greater. I've walked away from the experience with increased confidence. The project enabled me to build a rapport with my colleagues to help me settle in further.

WHICH FEMALE INSPIRES YOU AND WHY?

Vee Kativhu, a girl's education activist and young leader at the United Nations. It's inspiring to see how she aims to make the world a better place with her positivity and passion via her platforms. She inspires me to fight for causes I believe in! Watching her be a trailblazer is truly inspiring to me.
