BREWER APPRENTICE

**HEINEKEN**

WHICH APPRENTICESHIP ARE YOU DOING?

I completed the HIT Brewer Apprenticeship in 2022.

WHAT LEVEL IS YOUR APPRENTICESHIP?

Level 4.

WHAT DO YOU DO?

During my apprenticeship, I helped look after Greene King's craft brewery, helping to develop a portfolio of modern beers. At Heineken, I'm a technical brewer so I help to ensure that the beer is brewed to the right specification. Also, as we strive to become more sustainable, I look at ways to reduce our water and energy usage.

"WHAT'S THE WORST THAT CAN HAPPEN?"

WHAT IS THE MOST EXCITING PROJECT YOU HAVE WORKED ON?

During my apprenticeship, it would have been developing the new modern beers for Greene King!

WHAT IS YOUR PROUDEST APPRENTICESHIP MOMENT?

Though finishing the apprenticeship itself was a great feeling, winning the HIT Apprentice of the Year award was definitely a highlight.

WHICH FEMALE INSPIRES YOU AND WHY?

All women who have summoned the courage to pursue their passions inspire me.

**“WHAT’S THE WORST THAT CAN HAPPEN?”
I ALWAYS USE THIS TO RATIONALISE ANY DECISIONS I
NEED TO MAKE OR TO MOTIVATE MYSELF TO DO OR
TRY SOMETHING NEW - WHETHER IT’S FOR WORK OR
LIFE IN GENERAL.**
