## WHAT IS THE MOST EXCITING PROJECT YOU HAVE WORKED ON?

There's so many, but right now it would be handrearing kittens. Taking on newborn or very young kittens, rearing them and rehoming them is super exciting, getting to know their individual personalities and building up a relationship with them, and then passing that on to their new owner - it's a great feeling.

## WHAT IS YOUR PROUDEST APPRENTICESHIP MOMENT?

Learning new computer skills - I've never had to do a presentation via Google before and now I can! I've done about 4 since and can teach others my newly learnt skill!

## WHICH FEMALE INSPIRES YOU AND WHY?

My colleague and friend, Oriana. She brings so much love and fun to work, and life in general, she cares about everyone and encourages others to do the same. She has taught me so much in a short space of time.
