MOTIVATIONS FOR A CAREER

Thinking generally about your future career, which of the following factors are most and least important to you when considering to apply for a job, or not?

**“Good pay, work–life
balance, flexibility.”**
Wales

**“I hate to say it, but pay because you
need something that’s going to be
able to provide your lifestyle.”**
England

**“There are jobs out there,
yes, but they can be hard
to get.”**
Wales

YOUNG PEOPLE'S WORRIES ABOUT JOBS

“I literally just know I want to work with people, because I thought I was going to go down the science route and then the thought of just being sat in a lab kills me. I'd hate it. I just know I want to be with people, but I don't know how yet.” *England*

“If you go into a workplace and it's just got that miserable way about it, if you can tell the staff just don't enjoy it. [...] it just depends really where you want to work, and the luck you have in getting it.” *Scotland*

Flight Lieutenant Jen Elliott Personnel Support Officer

Jen joined the RAF in Oct 2004.

Hidden Superpower – Mum of 2!

Favourite Experience in the RAF – That's a difficult one, my time in Afghanistan was very rewarding but also graduating from Cranwell was special.

Sports – I love all sports but the most exhilarating sport I've done is Paragliding – I got my elementary pilots licence in the sport through the RAF.

Hobbies

Baking – Who doesn't love a cake

Sewing – I'm an amateur sewer, mainly constructing costumes for my kids.

Park Run – I can't wait to get back to it.

Favourite Food – Fish & Chips, I live near the Devon coast, nothing beats sitting on the beach eating them.
