

**How do I apply for  
an apprenticeship?**

You apply directly  
to the employer for an  
apprenticeship role.  
Each company will have  
their own process.

**How do I find an apprenticeship?**

You can find apprenticeships advertised online, through websites, social media and through friends and family.

**Will I have fun as  
an apprentice?**

Yes! You will meet other apprentices, new work colleagues and will also be earning a salary.

**How much will I get  
paid as an apprentice?**

You will be paid at least  
the National Minimum Wage  
for apprentices, but many  
employers pay  
a lot more.

**What kind of job  
could I be doing?**

There are over 650  
apprenticeships to choose  
from across all sectors,  
from accountant to  
zookeeper.

**Where can I  
find out more ?**

You can find out more  
about apprenticeships at  
[amazingapprenticeships](https://amazingapprenticeships.com)  
[.com](https://amazingapprenticeships.com)

## **What is a degree apprenticeship?**

A degree apprenticeship includes a full degree-level qualification. Your employer will pay your salary and your training costs.

**Is an apprenticeship a  
good choice for me?**

If you want to work,  
earn a salary and learn new  
skills, an apprenticeship  
could be a great choice!

**Are there any 'green'  
apprenticeships?**

There are many green apprenticeships that involve tasks that directly contribute to achieving Net Zero.

Visit [amazingapprenticeships.com/green-careers-week](https://amazingapprenticeships.com/green-careers-week)

**Which employers offer apprenticeships?**

Thousands of organisations across every industry offer apprenticeships.

**Should I apply for more than one apprenticeship?**

There is no limit to the number of apprenticeships that you can apply for. Applying for more than one will increase your chances of success.

## **What are the different apprenticeship levels?**

Apprenticeships range from level 2 (equivalent to GCSE) to level 7 (equivalent to a master's degree).

# **Hello and thank you for downloading your free Amazing Apprenticeships school display pack.**

Our last display pack went down so well, we decided to create another! Following feedback that you'd like some answers too, we've kept the same questions, but added answers in. It's still a fun, free resource full of colourful and thought-provoking content, designed to give you everything you need to create a display that will inform and inspire your students, and to help you enrich conversations about apprenticeships with your students.

We really hope you enjoy using it!

We've seen time and time again the difference that an apprenticeship can make to a young person – and the difference that apprentices can make to their employers. We hope this new pack will empower you to help your students understand and explore the many amazing opportunities that apprenticeships can offer.

## **How to use the pack**

You can use the materials in this pack to create a dedicated apprenticeships display in your classroom, common room or careers space, and start opening eyes, broadening horizons and initiating invaluable conversations about options as your students consider what they might like to do next.

We'd love to see your displays!

1. Print off your resources and put your apprenticeships display together
2. Take a photo of your amazing display!
3. Share that picture with us on social media (we're [@AmazingAppsUK](#))

## **Other useful resources**

The Amazing Apprenticeships website is home to thousands of free apprenticeship and technical education resources. Designed for use in schools with students, parents and carers, teachers and colleagues - there is something for everyone.

## **Stay in touch**

We look forward to hearing your feedback and to seeing your shared designs!

As always, if you have any questions, please message [hello@amazingapprenticeships.com](mailto:hello@amazingapprenticeships.com) or visit [www.amazingapprenticeships.com](http://www.amazingapprenticeships.com)
